

Equality Objectives 2019-2022

Our equality objectives are:

1. To raise the awareness and skills of staff to promote fairness, equality and good relations in the context of their role
2. To provide an environment that welcomes, protects and respects diverse people
3. To ensure that all staff, pupils and parents are given the opportunity to make a positive contribution to the life of the school
4. To increase pupil and parent awareness and understanding of issues in different communities and cultures by ensuring that teaching and curriculum materials, resources and displays promote equality and diversity

EQUALITY & DIVERSITY

Equality is not about treating all people in the same way. It's about recognising and respecting diversity enough to adapt practice and procedure to suit all.
