'Opening minds, unlocking potential, celebrating success together'

05 January 2021

Dear Parents / Carers,

Following the announcement this evening, Hamsterley Primary School will be closed until further notice.

Remote learning will be in place as quickly as possible for all children via the Seesaw app. Work for pupils will be posted daily and it is expected that all children complete the work assigned. Feedback will be provided on a daily basis by your child's teacher. Where the school is aware that families have Internet accessibility issues, they will be contacted to arrange for paper based work to be made available.

If you have any difficulties regarding remote learning, please contact us by emailing hamsterley@durhamlearning.net and we will try our best to help.

We are updating our list of parents who are critical workers (<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>). Could you please let us know by emailing hamsterley@durhamlearning.net if you meet the criteria and if you will need childcare provided for your children.

We hope that we can work together in what will again prove to be very difficult circumstances to ensure that our children continue to learn. We will continue to update parents as necessary over the coming weeks and provide as much help and support as we can.

We hope that you all remain safe and well. Thank you for your continued support.

Yours sincerely,

Sarah Kitching
Headteacher
